Real or Fake? KEY

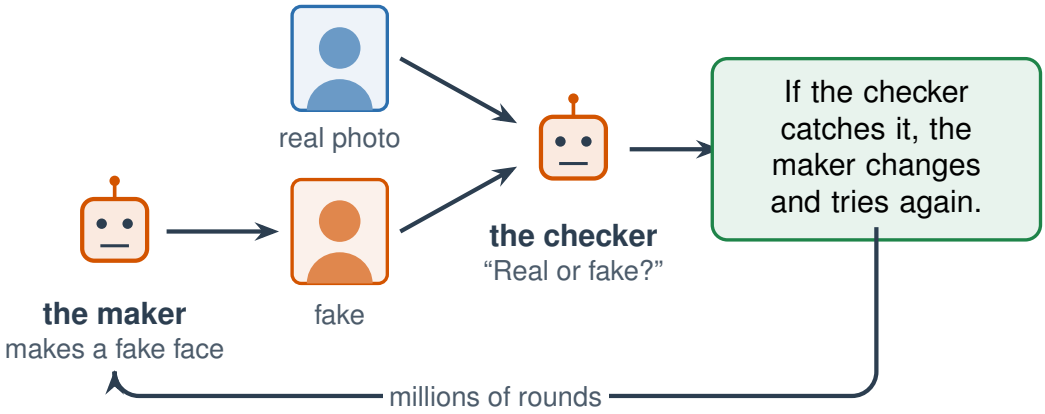
Name _____

Work with a partner. Compare answers when you finish each problem.

1. Which face is real? Play 10 rounds.

My score: _____ out of 10. Class average: _____ out of 10. Guessing gets about 5.

2. How AI learns to make faces.



The maker makes fake faces. The checker tries to tell them from real photos.

After millions of rounds, the checker cannot tell anymore. Often, neither can we.

In a 2022 study, people picked the real face 48% of the time. That is the same as guessing.

3. Why the clues stop working.

One old clue: hands with 6 fingers Why it stops working: newer tools fix it.

4. SIFT. Write each step.

S	Stop	Before you share it, stop. Strong feelings? Be careful.
I	Investigate the source	Who posted it first? Are they real news?
F	Find better coverage	Are trusted news sources reporting it?
T	Trace to the original	Reverse image search to find where it first appeared.

5. Trace it back.

	How it made me feel	Real, fake, or misleading?	My proof
1			Answers vary. A fact-check site, the first place it was posted.

6. Fake voices.

A voice clone can be made from a short recording of someone's voice.

If someone calls in a panic asking for money, I will ask for our family safe word, then hang up and call the person back on their real number.

7. Talk about it. When anyone can make fakes, people might Answers vary. Stop believing real videos too.

Before I share a picture, I will use SIFT.
