Can AI Be Creative? KEY

Name _____

Work with a partner. Compare answers when you finish each problem.

1. Is it creative? Circle yes or no.

A bird builds a nest: yes / no A 5-year-old draws her family: yes / no

A phone takes a photo by itself: yes / no A chatbot writes a poem: yes / no

2. Where AI art comes from.

An image generator learned from millions of pictures. Most of them were made by people, who were not asked or paid. In the U.S., a work made only by AI cannot have a copyright.

3. The blind poem show.
