Your Data, Your Privacy

Name _____

Work with a partner. Compare answers when you finish each problem.

1. What does your phone know? List as many things as you can.

_____

_____

2. Give or leak? Write each one in the right column:

what I type, where my phone is, a photo I post, what I click, hidden information in a photo, my name when I sign up, how long I watch a video

Data I give (I know I share it)	**Data I leak** (I may not know)

3. Find the hidden location. Use the sample photo.

Camera	
Date and time	
Location (numbers)	
The place on the map	

Hidden information about a file is called _____

After I made a clean copy, was the location still there? _____

A photo of my dog in my backyard could show _____

4. Talk about it. A free app that sells my data is (fair / not fair) because

_____

Go Further (Day 2). What can your apps see? Does each app **need** this to work?

App	Asks for	Needs it?	Why
Flashlight app	your contacts		
Map app	your location		
Puzzle game	your microphone		
Camera app	your camera		
Camera app	your location		
Weather app	your location		

One permission I would turn off: _____ Why? _____
