The Klingon Room: Rule Book

For the person in the room. A note comes in. Find the note that looks **exactly** the same in the left column. Big and small letters matter! Copy the reply from the right column onto the back of the note. Pass it out.

You do not need to know what the notes say. Just match the shapes.

	If the note looks like this . . .	**. . . copy this reply.**
1	`qatlho'!`	`Qapla'!`
2	`tlhIngan Hol Dajatlh'a'?`	`HIja'. tlhIngan Hol vIghojtaH.`
3	`bIpIv'a'?`	`jIpIv.`
4	`nuqDaq 'oH puchpa''e'?`	`jIyajbe'.`
5	`nuqneH`	`bIpIv'a'?`
6	`nuq 'oH ponglIj'e'?`	`Mara jIH.`

Note cards, for the people outside the room. Cut out the cards. Pass one note into the room. When the reply comes back, check it with the meaning on your card. Does the reply make sense?
